

Class Test-2 English

Directions: Read the following unseen passage for Class 12 carefully and answer the questions given below the unseen passage:-

Education is an important part of human life, today it is difficult to imagine the world without education, education is an important tool to shape the future of man and society. Today's society needs education more than ever. Education is the key to open doors of opportunity and success for us. Education not only provides knowledge and skills to man but also develops critical thinking, creativity, and problem-solving ability in man.

The importance of education can be clearly seen in different sectors of the society. It helps individuals to actively participate in society by providing them with the ability to make appropriate decisions. Education is also an essential link for a person's economic wealth and development. Education provides individuals with the skills they need to be successful in the workforce and contribute to the economy.

Apart from this, education also plays an important role in promoting social and cultural values. It helps in developing a sense of mutual understanding, tolerance, and respect for diversity among human beings. Education also develops understanding in individuals to understand their rights and responsibilities as important citizens of society.

In today's fast-paced world, getting an education has become more accessible than ever. Today's technological age has made it possible to learn from anywhere at any time. Online learning platforms have revolutionized education by bringing quality education to the doorsteps of people from all walks of life.

Lastly, education is important for the all-round development and prosperity of individuals and societies. It imparts the knowledge, skills, and values in human life that are essential for success in today's world. Therefore it is necessary to promote education and ensure that quality education is accessible to all.
